"A magical mix of tradition and styles."

—The Boston Globe, October 2010

"An explosive fusion of cultures."

—Gaëtan L. Charlebois, The Charlebois
Post-Montreal, May 2011

A production of Navarasa Dance Theater
www.navarasa.org

The dance theater production "Encounter" brings several different encounters to stage — encounters with the Divine, self, Bob Marley, love, gravity and the military. Navarasa Dance Theater devises stories for the stage using classical Bharatanatyam dance of India, Western modern dance, martial arts and contemporary text.

The MusicUnitesUS Intercultural Residency Series brings to Brandeis University highly accomplished artists from around the world. The goal of these residencies is to deepen understanding and appreciation of diverse traditions, explore contemporary social themes, promote intellectual inquiry and encourage cultural exchange. Please join open classes as the academy and visiting artists engage in a cross-disciplinary conversation with the arts as a meeting place.
